

Light Commercial Energy Star® Boiler Program

Qualifying boiler size (up to 299 MBH)

<input type="checkbox"/> New construction <input type="checkbox"/> Replacement (Note: Complete a separate application for each distinct water heater model/type)	Date (Yr/Mth/Day)
--	-------------------

Applicant information

Name of customer, organization, company, strata, etc.		Contact person	
Title and position of contact	Email address	Phone number	
Street address	Town / city	Province	Postal code

How did you hear about the program?
 Website Magazine/publication Tradeshow FortisBC representative Other (specify) :

This section to be filled out by current customers

FortisBC natural gas account number	FortisBC premise number	Rate
-------------------------------------	-------------------------	------

Building information

Street address	Town / city	Province	Postal code
Building use (primary use)	Heated floor area (sq. ft.)	Number of suites, rooms, units, etc.	Age of building

New boiler information

Boiler make	Boiler model	Input (Btu/Hr) (each)	Installation/start-up date
Condensing or near condensing	AFUE efficiency rating	Quantity at this institution (i.e., 1 of 5)	

Replacement applications – existing boiler(s)

Age of unit	Total input (Btu/Hr)
-------------	----------------------

Hot water applications

Check all that apply
 Space heating D.H.W. Ventilation Pool/spa Snow melt Process Other (specify): _____

Contractor information (NOTE: Attach a copy of invoice from contractor, showing boiler make, model & serial number)

Company name	Address	
Contact name	Phone	Email address

Incentive calculation worksheet

Condensing boiler: <table style="margin-left: 20px; border-collapse: collapse;"> <tr> <td style="padding: 2px;">Boiler size in MBH</td> <td style="padding: 2px;">X \$5</td> <td style="padding: 2px;">= Incentive</td> </tr> <tr style="background-color: #e0e0e0;"> <td style="padding: 2px;">Example: 299 MBH</td> <td style="padding: 2px;">X \$5</td> <td style="padding: 2px;">= \$1,495</td> </tr> <tr> <td style="padding: 2px;"></td> <td style="padding: 2px;">X \$5</td> <td style="padding: 2px;">=</td> </tr> </table>	Boiler size in MBH	X \$5	= Incentive	Example: 299 MBH	X \$5	= \$1,495		X \$5	=	Near-condensing boiler: <table style="margin-left: 20px; border-collapse: collapse;"> <tr> <td style="padding: 2px;">Boiler size in MBH</td> <td style="padding: 2px;">X \$3</td> <td style="padding: 2px;">= Incentive</td> </tr> <tr style="background-color: #e0e0e0;"> <td style="padding: 2px;">Example: 150 MBH</td> <td style="padding: 2px;">X \$3</td> <td style="padding: 2px;">= \$450</td> </tr> <tr> <td style="padding: 2px;"></td> <td style="padding: 2px;">X \$3</td> <td style="padding: 2px;">=</td> </tr> </table>	Boiler size in MBH	X \$3	= Incentive	Example: 150 MBH	X \$3	= \$450		X \$3	=
Boiler size in MBH	X \$5	= Incentive																	
Example: 299 MBH	X \$5	= \$1,495																	
	X \$5	=																	
Boiler size in MBH	X \$3	= Incentive																	
Example: 150 MBH	X \$3	= \$450																	
	X \$3	=																	

Signature area

The applicant confirms that they are an authorized signatory for this organization, and hereby applies for incentive rebate under the FortisBC Light Commercial Energy Star® Boiler Program. The applicant confirms that they have read and agree to the Terms and Conditions.

Applicant's name (PRINT)	Applicant's signature	Position/title	Date (Yr/Mth/Day)
